

REMARKS

The present application is a divisional under 37 C.F.R. §1.53(b) of copending Application Serial No. 09/919,633, which is a continuation of Application Serial No. 09/660,208.

By the amendments presented to the specification, the "Cross Reference" information has been amended to correctly identify the entire list of the related application. The specification has also been amended to correct minor typographical errors. Accordingly, no new matter has been added by these amendments to the specification.

By the amendments presented to the drawings, informal Figures 1, 2A through 2D, and 3 have been replaced with formal Figures 1, 2A through 2D, and 3. Figure 3 has been changed to clearly identify the "PID Control" with call out number "72". Support for this amendment is provided in the specification, inter alia, at p. 10, lines 27-32. Accordingly, no new matter has been added by this amendment.

By the amendments presented to the claims, original claims 1-9 have been canceled and new claims 10-12 have been added. Upon entry of the amendments presented, claims 10-12 will remain pending in this application. Support for these new claims is provided in the original specification and Figures and in the original claims, inter alia, claim 8.

CONCLUSION

Applicants respectfully submit that Claims 10-12 are in condition for allowance. The Examiner is encouraged to call the undersigned collect at (415)705-6377 if there are any questions, or if it will expedite allowance of this application. The Commissioner is hereby authorized to charge payment of any fees associated with this communication or credit any overpayment to Deposit Account No. 04-0822.

Respectfully submitted,
